CASH WITHDRAWALS

# Which currency at the ATM?

DO THIS FIRST

Choose MAD if offered a currency-conversion choice.

## Choose local currency

Decline the ATM's offer to convert into your home currency. This offer is called dynamic currency conversion, or DCC.

## Then check the fees

The ATM operator and your card issuer may charge separately. Declining conversion does not remove those fees.

EXAMPLE / NOT A LIVE FEE

Withdraw 1,000 MAD + a displayed 35 MAD ATM fee. That fee remains even if you decline conversion.

Read the screen; wording varies. Cancel before confirming if the terms are unclear or unacceptable.

RESTAURANTS & CAFÉS

# The bill arrives. What do we pay?

DO THIS FIRST

Read the bill before choosing an extra tip.

## Check what is included

If the bill lists service or a gratuity, ask what it covers.

## Choose your thank-you

For a sample 240 MAD meal for two, this plan allows a 15 MAD tip. Adjust to the actual bill and service.

SAMPLE / BOTH PEOPLE TOGETHER

240 MAD bill + 15 MAD optional tip = 255 MAD paid.

Is service included?

**Le service est-il compris ?**

Café example: 5 MAD per shared visit. Food and drink prices are separate from the tips budget.
